7. SEO Strategy

7.1 On-Page SEO

Meta Tags:

- **Title:** "CUPIEL Perfumes | Premium Extrait de Parfum • Matured Blends"
- **Description:** "CUPIEL Perfumes - Premium Extrait de Parfum crafted with precision maturation..."
- **Keywords:** perfume, fragrance, extrait de parfum, luxury perfume, made in India

Heading Structure:

- H1: Brand/Collection names
- H2: Section titles
- H3: Subsection headers
- Proper hierarchy maintained throughout

URL Structure:

```
cupielperfumes.com/  
├─ collections/signature-series  
├─ collections/og-series  
├─ products/[product-name]  
├─ about/company  
├─ about/sustainability  
├─ services/bespoke-fragrance  
└─ help/faq
```

7.2 Technical SEO

Sitemap: `sitemap.xml` included

- 40+ URLs indexed
- Priority levels assigned (1.0 to 0.5)
- Change frequency specified
- Last modified dates included

Robots.txt: Guidelines for crawlers

- Allows public sections
- Disallows admin/private areas
- Crawl-delay: 1 second

Mobile Responsiveness:

- Fully responsive design
- Mobile-first approach
- Touch-friendly buttons & navigation

Page Speed Optimization:

- Minimal external dependencies
- Inline CSS for faster loading
- Optimized image usage (emojis, no large images)

7.3 Off-Page SEO

Link Building Opportunities:

- Link from Mul Biotech Farms main site
- Mention in industry directories
- Fragrance blogs & review sites
- Beauty/luxury lifestyle websites

Social Media Integration:

- Instagram (@cupielperfumes)
 - WhatsApp business
 - Social sharing buttons
-

8. Ecosystem Positioning

Mul Biotech Farms Connection

- **Primary Business:** Applied agri-biotech & environmental consultancy
- **Location:** Rishra, Hooghly, West Bengal, India

- **CUPIEL's Role:** Premium fragrance innovation within ecosystem
- **Separation:** Kept separate from agri-biotech positioning
- **Synergy:** Both represent craftsmanship & quality focus

Brand Narrative

"CUPIEL represents the innovation and quality commitment that defines the Mul Biotech Farms Ecosystem. While we excel in agricultural biotechnology, our fragrance division brings the same precision, maturation process, and premium standards to the world of luxury perfumes."

9. Future Development Roadmap

Phase 2: Enhanced Features

- [] Product catalog with e-commerce integration
- [] User accounts & loyalty program
- [] Blog section (fragrance education)
- [] Video content (process documentation)
- [] Customer reviews & testimonials

Phase 3: Expansion

- [] Collection-specific landing pages
- [] Individual product pages with full details
- [] Subscription/pre-order system
- [] Fragrance finder quiz
- [] International shipping pages

Phase 4: Community & Engagement

- ☐ Customer community forum
 - ☐ Fragrance education series
 - ☐ Collaboration announcements
 - ☐ Limited edition releases
 - ☐ Influencer partnerships
-
