UNIQUE SELLING PROPOSITIONS

Why CUIEL Stands Out

1. 8-Week Maturation

- Industry standard: 0-2 weeks
- CUIEL: 8 weeks
- Benefit: Superior scent development, longevity

2. Extrait de Parfum Concentration

- 15-40% fragrance oils (vs. 5-15% for standard parfum)
- Longer lasting (8-12 hours vs. 4-6 hours)
- Better value over time

3. Transparent Process

- Website documents entire 5-step process
- Customers see exactly what they're paying for
- Builds trust & justifies premium pricing

4. Made in India

- Local craftsmanship, global quality
- Supports Indian entrepreneurship
- Premium without imported price tags

5. Small Batch Production

- Quality over quantity
 - Exclusivity without elitism
 - Each batch inspected personally
-
